Université de Montréal, Canada
Mu Zhu
University of Waterloo, Canada

Plenary Speakers

Michèle Breton
GERAD & HEC Montréal, Canada
Bernhard von Stengel
London School of Economics & Political Science, UK
Yinyu Ye
Stanford University, USA

Computational Management Science 10th CMS '13

1-3 May 2013, HEC Montréal

Organizing Committee

GERAD & HEC Montréal, Canada

Hatem Ben-Ameur
Erick Delage
Ola Jabali

Sylvain Perron
Jean-François Plante
Georges Zaccour (Chair)

Venue HEC Montréal

3000, chemin de la Côte-Sainte-Catherine, Montréal (Québec) CANADA H3T 2A7

The CMS conference is an annual meeting associated with the journal of Computational Management Science published by Springer. The aim of this conference is to provide a forum for theoreticians and practitioners from academia and industry to exchange knowledge, ideas and results in a broad range of topics relevant to the theory and practice of computational methods, models and empirical analysis for decision making in economics, engineering, finance and management.

A CMS Best Student Paper Prize will be awarded.
